

SUNNYPACK INTERNATIONAL GROUP CO., LTD

Shanghai Shangyu Packaging Products Co., Ltd. was established in 2001. As a manufactory, we devoted ourself to the high-end packaging market, help our clients solve all the packaging problems, and always persist our self-innovation spirit. Our products ranges cover high-end paper gift boxes, paper shopping bags, corrugated boxes, cartons etc. In 2007, we set up our own Oversea sales department, began to expand our market to North America, Australia, Southeast Asia and European countries etc. In 2009, we set up our subcompany-----Shanghai Shangyu Industrial Co., Ltd, which is mainly manufacture stickers and labels. And in the same year, we registered a group company in England called Sunny pack International Group Co., Ltd, which combined the two companies and products together. We also independently set up a overseas office, which includes sales department, purchase department, R&D department, and production department, devote to provide the one-stop service for our clients.

Lift off lid rigid box

The lift off lid rigid box is one of our most featured cardboard gift box products. Also called telescope box. The box consists of two parts, the top lid and the bottom box. The lid is detachable and can be lift off easily. Therefore, it is also referred to as the detachable lid rigid set up box.

In our factory, we have the specialized equipment for the lift off lid rigid box. Also we have the very skilled workers for the surface liner paper wrapping and gluing. The rigid box we made are eye-appealing, very suitable for the product presentation and increasing the brand recognition. It gives the customers a great quality and luxury feel.

Material

The material for lift off rigid box are grey board of 1mm, 1.5mm, 2.0mm, 2.5mm thick. For the wrapping liner paper outside, we use all kinds of art paper with printing or different, special paper.

Printing

CMYK and Pantone colors printing are available on the wrapping paper outside. We have Heidelberg and Komori offset printing machine and UV printing machine to provide the best colors for customers.

Finish

Different process for this finish of the box, like spot UV, gold or silver hot stamping, screen printing, etc.

Delivery time: 15-30 days depending on the quantity

Payment terms: TT/LC/OA

Packing details: 1 box in 1 opp bag and use strong corrugated cartons for packing.

Foldable/Collapsible Rigid Box

Also referred to as foldable rigid box, the collapsible box is the favorite rigid box style for our clients in North America, Europe and Australia. The boxes can be flat packed and save cost of shipping and storage. Another advantage is the box is very easy for customers to assemble.

Usually the collapsible set up box has 2 pieces of magnets on the front panel for the box seal or closure. Also 4pcs of Double Sided Adhesive Tape on the 4 corners of the box.

Sunny pack specializes in the custom made collapsible rigid box as per the request of your artwork and the details of your sample box. You can have a flat shipping box with the custom size, color, finish, insert and seal.

Material

The foldable rigid box is usually made of the grey board wrapped with art paper. The grey board is usually 1.5mm or 2mm thick. We also have many choices for the wrapping paper. Gold or silver paper, special paper, or just normal paper with printing or luxury process

Printing

CMYK and Pantone colors printing are available on the wrapping paper outside. We have Heidelberg and Komori offset printing machine and UV printing machine to provide the best colors for customers.

Finish
